SENIOR CLASS S

SENIOR CLASS SE-

Class Officers: Mr. Bonazzi, Advisor; F. Shove, D. Bowers, W. Wallace, J. Mills.

Looking back over the years we can't help but think of all it took to make "our" class the class it is: Welch's parties . . . college mixers . . . going to the Senior Lounge and not quite making it . . . Valkyrie? . . . Lavender's parties . . . The C.V.I. . . . the V.V.S. football game of '72 . . . New Years Eve . . . Pizza Inn . . . sitting on the wrong side of the sidewalk . . . bomb scares and fire drills (anything to get out of class) . . . soccer games . . . the Sadie Hawkins Dance . . . getting kicked out of the Library . . . the Cotillion . . . sports events . . . the Senior bulletin board . . . Fabius dances . . . finding better things in lower grades . . . oh yeah-and once in a while we did make it to class.

In October the Sophomore class lost a valuable member when Nancy Charron moved to New Jersey. Intelligent, friendly, and good looking, Nancy was a great asset to the class and those around her. Even though she was able to serve for only one month as class secretary her ability to lead the class was clearly marked. Feeling that we have lost an important part of our class, we, the class of '75, would like to give this dedication to Nancy Charron.

American Field Service

This year, two exchange students were added to Cazenovia's list of foreign friends. Wim Stenfert Kroese is our American Field Service student from Holland, who lives with the Feer family. His idea of a good time is sailing, taking pictures, skiing, and working on the computer. And there is Jaime Gomez, our Rotary Exchange student from Bolivia. His main love is soccer, but he also enjoys going to hockey games and watching television.

The Faithful Yearbook Staff

Now that we come to the last page of this hallowed memory book which was cherished, fondled and generally treated with loving care, we must (sob, sob, sob) now say good-bye to our baby. Some people who will probably remember the many nights at the school having a corking good time working on the yearbook and who deserve to be mentioned are: Miss Perry and her infinite (potentially, that is) patience, Wim and Peter for all those photographs, and the innumerable drones who came to the meetings and sweat sessions.
